WASHINGTON, August 12.—President Taft's veto of the Democratic Wool Bill, revising the tariff downward, was made the subject of a bitter speech in the senate today. Senator William Jeol Stone of Kentucky declaring that the President had made of himself a shining example of a good man gone wrong.

INHUMAN ACTIONS OF MEXICAN REBELS.
MEXICO CITY, August 12.—As a result of the recent raid of the Zapatistas into the Axtla district, two hundred persons have been killed. The rebels, in the course of the raid, wrecked a train carrying passengers and troops, twenty of the former and thirty-six of the latter, practically the entire number occupying the coaches, being killed.

The raiders opened fire upon the wreck as soon as the cars left the tornup rails, wounding and killing some who had escaped the wreck unscathed. The wreck was then fired and the dead and wounded tossed back into the flames after the bodies had been rifled. The bodies of some were mutilated before being cremated. Many of the wounded pleaded for life on for a speedy death, but the bandits only laughed at the pleading.

SENATORS URGE A CHEAP PARCELS POST.
WASHINGTON, August 12.—The Bourne-Eristow parcels post plan, to be presented by those Senators, would divide the country into eight zones. The rate would be fixed at five cents for the first pound and three cents for each additional pound of fourth class matter to any point within the zone which the package is posted, with a graduated rate to cover the other zones. The plan would increase the postage to twelve cents a pound in the eighth zone, covering points more than 1800 miles apart.

NAGEL'S VIEWS DO NOT SUIT EVERYONE.
WASHINGTON, August 12.—Several vigorous protests have been received by Secretary Nagel of the department of commerce and labor against his recent interpretation of the naturalization and immigration laws to the effect that naturalization of an alien confers American citizenship upon his minor children, whether in the United States or abroad.

The protestants contend that the decision lowers the bars to all debarred classes of immigrants, as the naturalization of a father of a family now permits him to bring into the United States as American citizens, immune from the tests of immigration laws, his minor children, whether they be idiotic, imbeciles or other undesirable.

The secretary is preparing an opinion to justify his position, both from a legal and a humanitarian viewpoint.

The entire cabinet has been instructed to prepare estimates under both plans.

Immediately after the arrival of the funeral party at Aoyama, the funeral service will begin and will comprise the full and imposing Shinto ritual.

OAKLAND, August 12.—Lee Chong, who is being held on a charge of insanity, last night attempted to blow up the fulminate cap works at the foot of 66th Avenue, according to W. Cluff, who today swore to an insanity charge against Chong, and says that he discovered him in the act of prowling around the cap works last night and attempting to set fire to the building. Chong was recently released from the Agnews insane asylum.

UNRAVELING A FINANCIAL TANGLE.
SAN FRANCISCO, August 12.—The battle to unravel the complication in the tangled affairs of the insolvent Continental Building and Loan Association, the doors of which were closed last week, began shortly after noon today with the filing of Attorney General U. S. Webb's complaint, citing the directors, to show cause why the State should not step in and liquidate the assets of the concern.

Shortly before Arthur Meyers, Martin L. Haines and Allie Haines had filed a petition for the Federal authorities to intervene and settle the affairs of the association. After a conference between Webb and Gavin McNab, attorney and director of the Continental, Webb announced that McNab was willing to turn over the keys of the building to Assistant Braddon at any time; that Webb declared there was no need for haste in assuming physical charge. The vital thing was to be the hearing on his complaint.

The abdication of Mulai Hafid was voluntary, it being finally arranged with him to announce that it was for reason of health and to avert a possible fanatical outbreak that he had decided to take the step.

SENATE TURNS DOWN FEDERAL ROAD AID.
WASHINGTON, August 12.—Senator Overman's amendment to the postoffice bill to appropriate \$250,000 for highway work in each State, to be available when the State appropriates a like sum, was defeated today. The The Shafleford good road feature of the bill adopted in the House would give general aid to the maintenance of all roads used for public purposes.
